

NORAD Tracks Santa's Flight on Christmas Eve

The [North American Aerospace Defense Command](#) (NORAD) is tracking the Christmas Eve flight of Santa's sleigh around the world. Having aided parents in firmly establishing childrens' bedtimes on Christmas Eve since 1955, NORAD's Santa Tracker is now a high-tech, global operation.

Families can play games, watch videos and listen to holiday tunes as well as follow Santa's progress at noradsanta.org. Find out what time Santa will be visiting your part of the world by calling 877-HI-NORAD. NORAD's Santa tracking updates are also available via [Facebook](#) and [Twitter](#).
